

2017 State Track & Field Parent Information

PLEASE check the parent duty roster carefully and ensure you are in place for your duty at the designated time. You will need to wear totally enclosed footwear whilst doing your duty. If you aren't on the roster, please be aware you might be called on if something happens...

Your team managers are again Paul Davies, Julie Burton and Kate Pratt. Try to be at Lakeside Stadium at least 1 hour before the start of your child's events. Parking can be tricky, be aware of parking restrictions. Some areas have fees and the parking inspectors are always around. The call room closes 30 minutes before the scheduled event time, and if you get there late, your child won't be able to compete (they are really tough about this at States).

The club usually sets up in the stand opposite the main entry gate. Look for all the orange! State tops are available for purchase from the Merchandise room for \$35 or \$36 (I'm getting conflicting information about this). There is no admission cost to Lakeside Stadium this year (yay!!).

If you take any great pictures, send them to me via email or text (0414 784 532) and I'll put up an album on Facebook.

Good luck to all our wonderful athletes. Be Your Best and GO MLAC!!!
